**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please help keep competition alive in the United States. In San Francisco we have costly internet services and broadband is critical our community. We need more options! I am a consumer and support broadband competition. Before I had sonic I bounced between AT&T DSL and Comcast, and both were very poor service at extremely high prices. Please take actions to encourage competition in the US and not stifle it.
